The Herb Garden

The Herb Garden is an Almonte-based venue that specializes in providing a romantic garden setting for celebrating outdoor weddings and other special events. Located just 20 minutes west of the Canadian Tire Centre, this venue is close to a number of bed & breakfast accommodations for your out of town guests, making it easily accessible for all.

Your outdoor wedding will be truly unforgettable at the Herb Garden!

The Heritage Barn

This is the most beautiful structure on the property. Built by craftsmen of the time by hand, without any nails or screws, nearly 200 years ago. The Heritage Barn offers an impressive glimpse into Ottawa's unique heritage. The barn is now used as picturesque, rustic space. We host our Mother's Day Brunch, various music events and wedding receptions in this beautiful space. It seats 80 comfortably but can easily accommodate 100 guests.

Wedding Details

For a Saturday wedding, you have access to the property from Friday morning until Sunday noon.

Available for your use are the Heritage Barn, the Bergamot Barn, our Bride loft change room, Gazebo and Labyrinth. Parking is free and plentiful. Your ceremony can take place in numerous places on the grounds.

Before your ceremony relax and get ready in our Bride's Room. Then walk down the stairs and to the gazebo - a beautiful place to hold your ceremony. Your guests can enjoy cocktails on the veranda and patio of our 150 year old Bergamot Barn while you and family are having photos taken. Our 200 year old cedar log Heritage Barn is the perfect place to dine and dance after your ceremony.

Your photographer will be thrilled with the number of unique areas to take pictures.

As well as hosting gorgeous weddings, we sell potted herbs for planting in your garden. Many of our herbs cannot be found anywhere else. We also have a labyrinth, art gallery and lots of areas for picnics. We host an annual Mother's Day Brunch and various other community events. Our barns can be rented for parties and business meetings or any event that requires a magical location.
